

How to open iOS Developer Account through Apple

07.04.2015

| iOS |

Step 1 - Go to <https://developer.apple.com/programs/start/standard/> and click “Continue”.

Enrolling in Apple Developer Programs

Get everything you need to develop and distribute apps for iOS and OS X.

It's easy to get started.

- ✓ **Choose an enrollment type.**

Individual: choose this option if you are an individual or sole proprietor/single person business.

Company/Organization: choose this option if you are a company, non-profit organization, joint venture, partnership, or government organization.
- ✓ **Submit your information.**

Provide basic personal information, including your legal name and address. If you're enrolling as a company/organization, we'll need a few more things, like your legal entity name and D-U-N-S® Number, as part of our verification process.
- ✓ **Purchase and activate your program.**

Once we verify your information, you can purchase your program on the Apple Online Store. After you have completed your purchase, we'll send you an email within 24 hours on how to activate your membership.

Step 2 - Sign In.

The screenshot shows the Apple Developer sign-in interface. At the top left is the Apple logo followed by the word "Developer". The main heading is "Sign in with your Apple ID". Below this is a white box titled "Enter your Apple ID and Password". Inside this box, there are two input fields: "Apple ID" with the value "gustavo@codecrop.com" and "Password" with masked characters "*****". Below the password field is a link "Forgot Password?". To the right of the input fields is a blue "Sign In" button. To the right of the white box, there is a message: "To continue, you must enter the Apple ID and password you used to register as an Apple Developer." Below this message is a link "Need to register? join now".

Step 3 - Select Mode.

Are you enrolling as an individual or organization?

Individual

Select this option if you are an individual or sole proprietor/single person company.

Seller Name
Your personal legal name will be listed as the seller of your apps on the App Store.
Example:
Seller: John Smith

Individual Development Only
You are the only one allowed access to program resources.

You will need:

- A valid credit card for purchase.
We may also require additional personal documentation to verify your identity.

Company/Organization

Select this option if you are a company, non-profit organization, joint venture, partnership, or government organization.

Seller Name
Your organization's legal entity name will be listed as the seller of your apps on the App Store.
Example:
Seller: ABC Company, Inc.

Development Team
You can add additional developers to your team who can access program resources. Companies who have hired a contractor to create apps for distribution on the App Store should enroll with their company name and add the contractors to their team.

You will need:

- The legal authority to bind your company/organization to Apple Developer Program legal agreements.
- An address for the company's principal place of business or corporate headquarters.
- A D-U-N-S® Number assigned to a legal entity.
D-U-N-S Numbers, available from D&B for free in most jurisdictions, are unique nine-digit numbers widely used as standard business identifiers. To learn more, read our [FAQs](#). Before enrolling, check to see if D&B has assigned you a D-U-N-S Number. If not, please request one. [Check now](#) ▶

Note: We do not accept DBAs, Fictitious Business, Trade names, or branches at this time.

- A valid credit card for purchase.
