Buying items on eBay using mobile App for iPhone/iPad

Buying items on eBay is easy on-the-go with the eBay Mobile App (Available FREE at iTunes)! The following slides will show you, step by step, how to search for items and make purchases from your mobile device.

Step 1

Download the app and sign in using your Ebay username and password.

Step 2

Once you have logged in to the Ebay app, you will be able to search for items or browse what's for sale.

To browse Ebay, tap “Browse Categories”. A list of categories will appear. Scroll to and tap the one that best fits the item you are looking for.

Step 5.2 - *Hint*

You can save this search for later by tapping on the Star (located at the top/middle of the screen). This is great if you are looking for gifts, or if you need to step away from your search!

Step 8

After placing a bid, watch the item and place more bids if someone outbids you. (This is the fun and exciting part!)

After you win the item, Ebay will send you a notification message with options on payment.

If you have chosen to “Buy it Now”, Ebay will immediately take you to the payment screen.

Follow the prompts to pay for your item.

Now you can shop on Ebay from anywhere! Good luck bidding!
