

How to wipe all data on iOS device

[07.06.2015]

[iOS 8]

How to wipe all data on iOS device

If for some reason, whether selling or giving away your iOS device, you need to wipe all your personal data, we're here to show you how to do that.

Step 1 -

First, tap on the Settings app on your iOS device.

Step 2 -

Once you're there, tap on General.

Step 6 -

Another prompt will appear to inform you that this choice can't be undone, tap on Erase iPhone again to confirm your choice.

Step 7 -

That's it. All the data on your iOS device will be deleted and you can rest assured that your personal information and/or data won't fall into the wrong hands!
