

# Netflix Basics

7.10.2015

| iOS5-iOS8|

## Step 1- Sign up to Netflix

## Step 2 - Enter your credit card details

You can also use Pay Pal service if you have saved debit/credit cards.

A screenshot of the Netflix website's sign-up page. The top navigation bar is red with the 'NETFLIX' logo on the left and a 'Sign Out' link on the right. The main heading is 'Start your free month!' with a subtext: 'Your free month ends on 8/1/15. Cancel online anytime you want. No commitments. Hidden fees or hassles.' Below this, there's a section for payment methods. The 'Credit Card' option is selected and circled in red. To its right are icons for Visa, Mastercard, and American Express. Below the payment method selection, there are input fields for 'First Name', 'Last Name', 'Card Number', 'Exp Date', 'Expiration Date' (with a dropdown), and 'Security Code'. At the bottom, there's a checkbox for 'I am over 18 and I agree to the above conditions and the Terms of Use and Privacy Policy'.

## Step 3- Search your favorite movie or TV show

There are many famous titles of different genres.

## Step 2- Watch your favorite content

If you want to watch in HD or watch on more devices, you have to pay extra.

## Step 1 - Enjoy your Netflix

Netflix has an app for iOS devices on the AppStore and the first month is completely free.
